## UNDER NEW MANAGEMENT

FRESNO, CALIFORNIA – October 10, 2011

Controlco announces promotions for the Fresno operations.

Melissa Hobbs, LEED AP, has been promoted to Regional Manager for Fresno operations. Ms. Hobbs has more than 8 years of experience in automation controls and mechanical system design and sales. She has been with Controlco for 4 years and holds a Bachelor of Science in Mechanical Engineering from U.C. Davis. She is also a LEED Accredited Professional, Niagara AX certified, and holds certificates for programming both Honeywell and Johnson Control systems.

Jeffrey Hunter has been promoted to Corporate Training Director and will provide internal technical and sales training for the company. Mr. Hunter has been with Controlco for 21 years with extensive experience in automation controls; he also holds Certificates for Programming of Tridium R2 and AX systems, and is a Certified Trainer for Johnson Controls.

R. Tee Gibson has been promoted to Technical Support Supervisor. Mr. Gibson holds a Bachelor of Science in Electrical Engineering from California State University, Fresno. He has been with Controlco for 4 years. Mr. Gibson is Niagara AX certified and holds certificates for programming Honeywell, Johnson Controls, and Schneider Electric systems.

Terry Turner, Controlco President said, “These are exciting times for the Fresno Regional operations. They are exceeding all sales expectations and we are proud of the synergy and professionalism shown by this team.”

Controlco is a premier distributor of automation systems. Since 1958, Controlco has provided controls, instrumentation, and programmable management systems for commercial and industrial applications. We have more than 80 employees and continue to grow. Our traditional distribution operations, the software division (CSI<sup>3</sup>) and the Sustainable Solutions Group (CSSG) are expanding and serving clients throughout the world from offices in California (Fresno, San Diego, Irvine, Bakersfield, Modesto, Sacramento, Oakland, and San Francisco), Nevada, and Arizona.
